220-240V a.c, 50Hz E27; Max.25W ta:25°C

If the external flexible cable or cord this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

4

Important Safety Note

This portable luminaire has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If it does not fit fully in the outlet, reverse the plug. If it still does not fit, contact qualified electrician.

Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.
