## Note

1. Assemble the item on a soft, well-lit surface like cardboard or carpet.
2. For safety and efficiency, it's best to have two or more people assist with assembly to handle heavy parts safely and collaborate effectively.
3. Keep all packaging materials intact until assembly is complete.
4. Before assembling the item, carefully read all provided instructions.
5. Handle tools with care during assembly to prevent injuries.
6. Wear gloves when installing the lampshade.

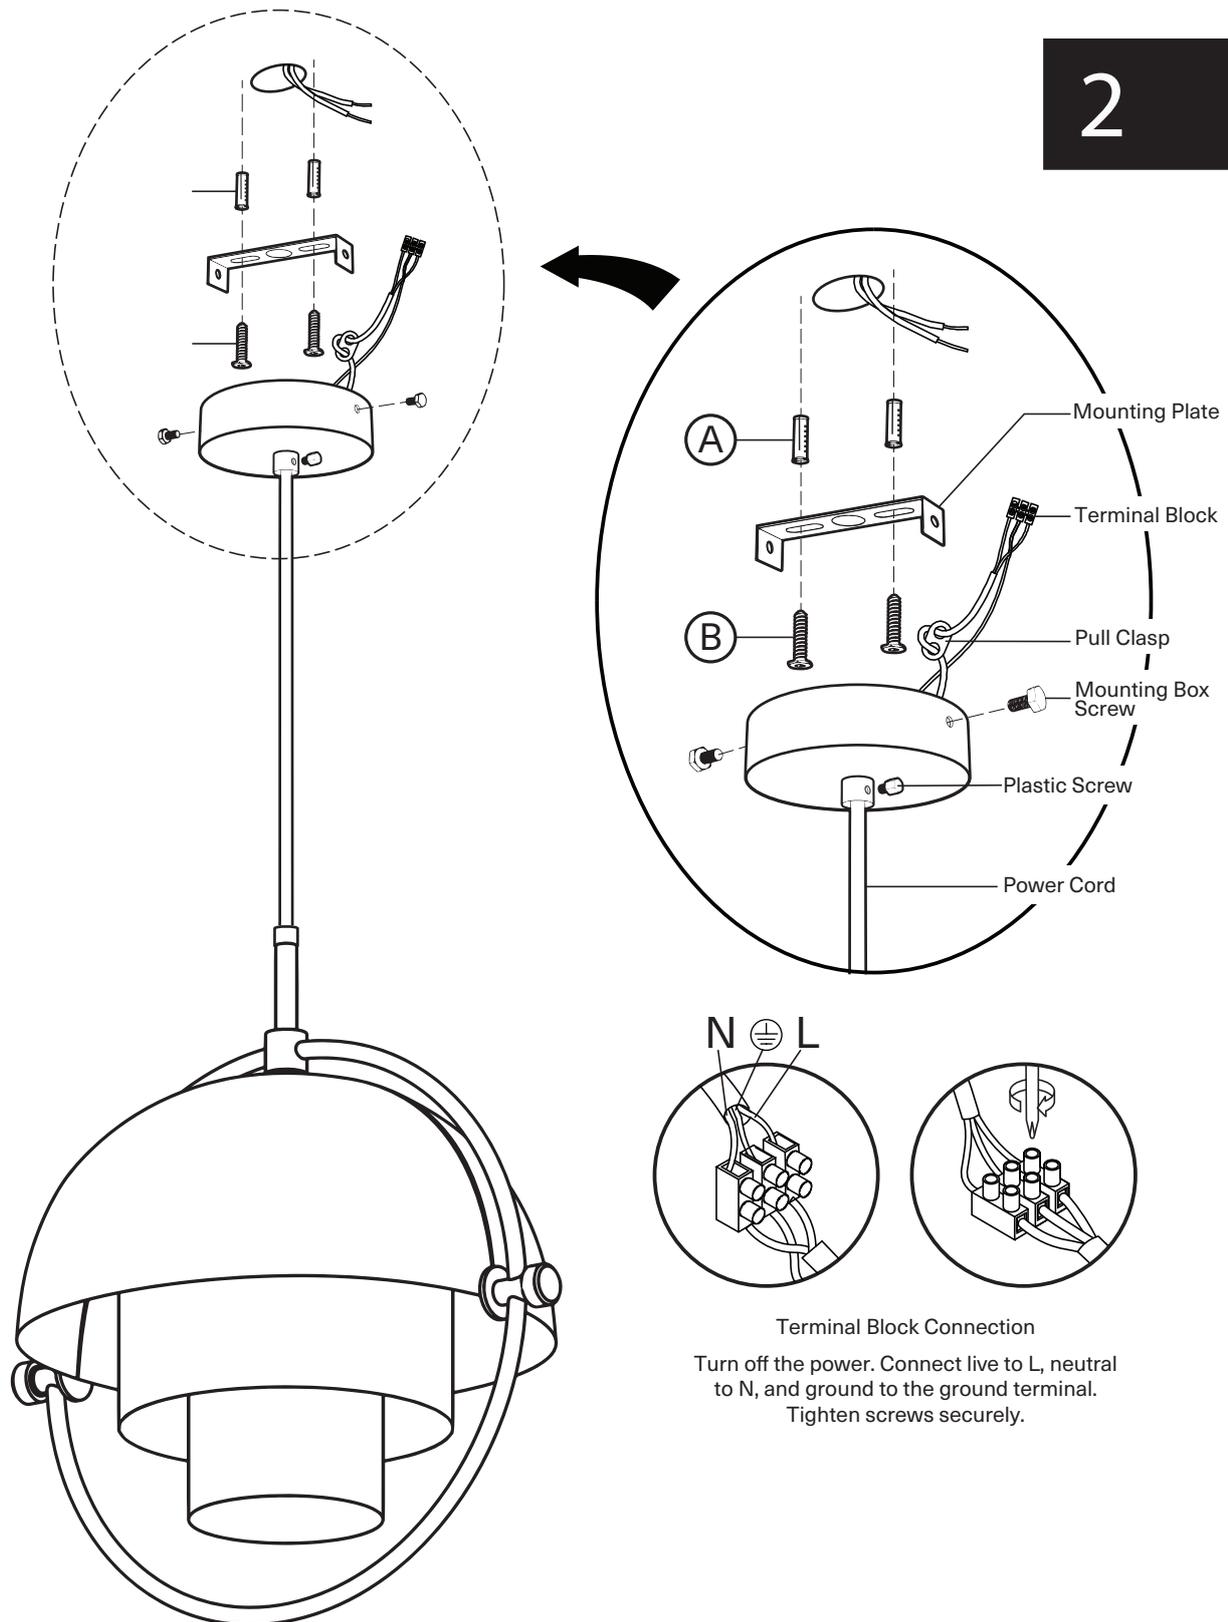

1

Electrical products can cause serious harm. Installation and maintenance must be done by a qualified electrician only.

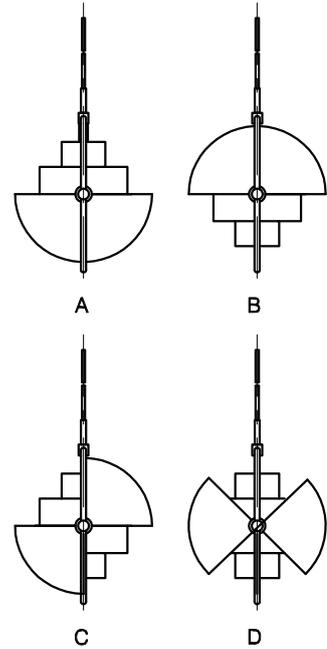

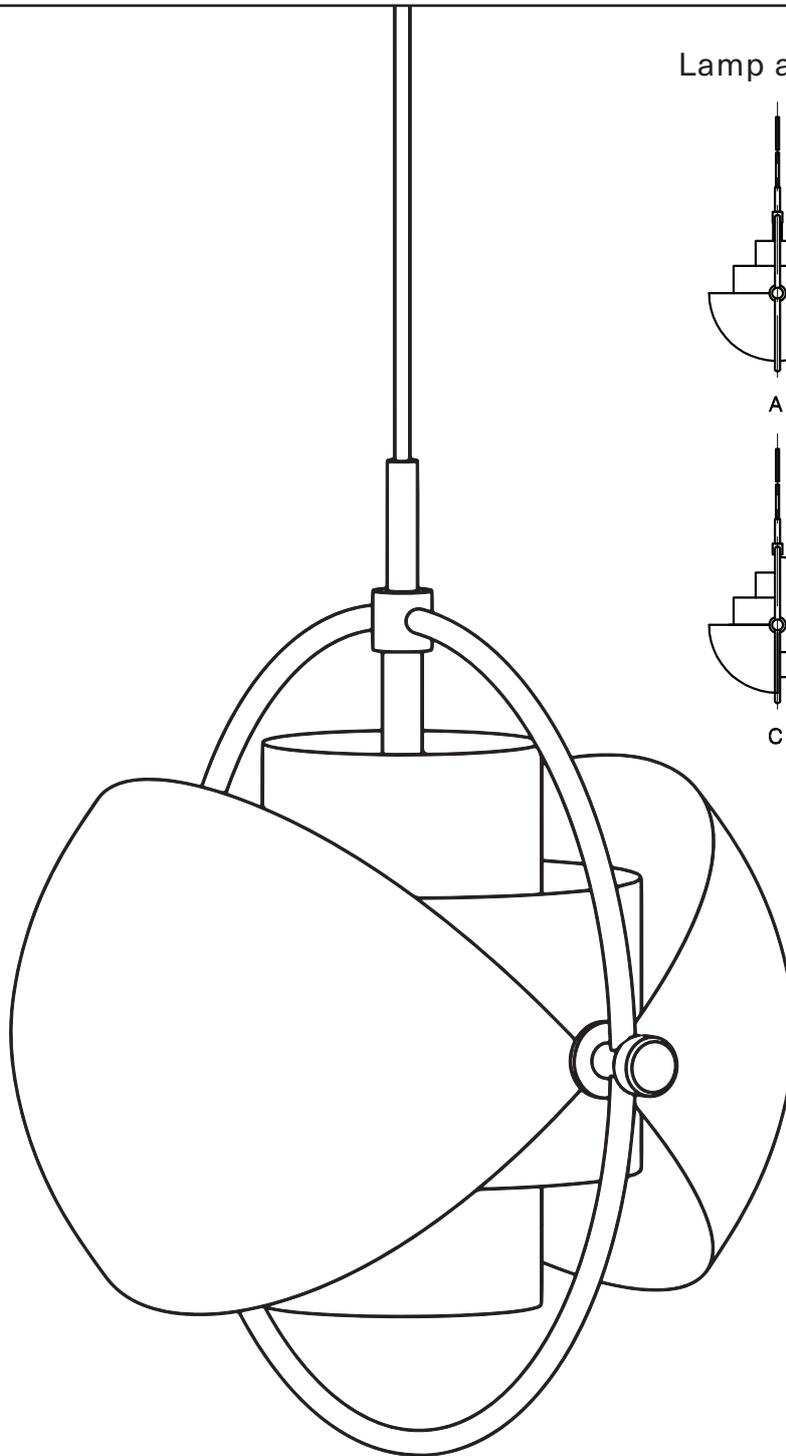

- Install the light bulb into the socket (bulb not included).
- Place the shade onto the lamp body and secure it with the screw.

- Turn off main power
- Adjust the power cord to the desired height, then tighten the plastic screw and pull clasp to secure it.
- Install the expansion screws into the ceiling.
- Attach the mounting plate using tapping screws.
- Connect the wires to the terminal block (power off, correct polarity).
- Fix the mounting box to the mounting plate and tighten.
